

national safe work month

Fidesa

**Does work health and safety make
your head hurt?**

**Want to improve but not sure
where to start?**

GET PLENTY FOR \$20!

During Safe Work Month, 1st to 31st October 2016, Fidesa is providing

1 HOUR HEALTH AND SAFETY COACHING VISITS

to eligible small and medium South Australian businesses.

All we ask in return is a \$20 *donation*, which we'll send off to Beyond Blue **on your behalf**. That's fantastic value for an hour with a highly experienced safety coach (it also makes sure the tyre-kickers don't take spots away from those businesses who genuinely want to improve!)

This is **NOT** paperwork, auditing or training –
this is health and safety that will help your business seriously improve!

DO YOU WANT PLENTY FOR \$20?
